Featuring a complete fleet of quality, German built vessels for Asian sourced passengers, Dream Cruises is meeting the needs of the ‘emerging generation’ of confident, independently minded and upwardly mobile Asian travellers by offering inspirational journeys, which are Asian at heart and international in spirit.

Purpose-built for the Asian market, Genting Dream, the first ship of the fleet, debuted in November 2016, with her sister ship World Dream joining in November 2017, offering guests cruising from Guangzhou, Hong Kong and Singapore the highest levels of service, as measured by crew to passenger ratio, and most spacious comfort as measured by gross tons per lower berth. Construction has also started in Germany on the 208,000 gross ton Global Class ship that will join the fleet in 2022.
