### **About Dream Cruises**

Genting HK brings 26 years of Asian cruise industry experience in creating its new cruise line – Dream Cruises. Featuring a complete fleet of quality, German built vessels for Asian sourced passengers, Dream Cruises aims to be a pacesetter in the global cruise industry, meeting the needs of the ‘emerging generation’ of confident, independently minded and upwardly mobile Asian travelers. Dream Cruises offers inspirational journeys, which are Asian at heart and international in spirit.

Purpose-built for the Asian market, Genting Dream, the first ship of the fleet, debuted in November 2016, with her sister ship World Dream joining in November 2017, offering guests cruising from Guangzhou, Hong Kong and Singapore the highest levels of service, as measured by crew to passenger ratio, and most spacious comfort as measured by gross tons per lower berth. Further expanding the Dream Cruises family, Explorer Dream joined in 2019 with homeports in Shanghai, Dalian and Tianjin during summer and Australia and New Zealand in winter. Construction has also started in Germany on the 208,000 gross ton Global Class ship that will join the fleet in 2022.

Dream Cruises has been recognized by the Berlitz Cruising and Cruise Guide 2020, ranking Genting Dream and World Dream once again in the world’s top ten Large Resort Ships – the only two highest ships to homeport year-round in Asia. Dream Cruises’ third ship, Explorer Dream, also made her debut in the Berlitz Cruising and Cruise Ships 2020 guide under the “Mid-Sized Ship” category in the Top 20 position.

Dream Cruises was also recently awarded ‘Best Luxury Cruise Line’ at the Annual 30<sup>th</sup> Travel Trade Gazette’s (TTG) Travel Awards 2019 and ‘Best Cruise Line – Cuisine’, ‘Best Cruise Line – Entertainment’ and ‘Best Cruise Line – Family’ by the Travel Weekly Asia Readers’ Choice Awards 2019.
