

World Dream Resumes 50% Passenger Capacity from 14 June onwards
Introducing unique and special Japanese-themed Super Summer Seacations for the school holidays

Singapore, 11 June 2021 – Following the latest announcement from Singapore government, Dream Cruises is pleased to announce that effective from 14 June 2021, World Dream will resume operating at the permitted 50% passenger capacity where guests from different households may now enjoy the option of traveling in a group size of up to five. Additionally, from 21 June onwards, guests may indulge in a feast for the palates and eyes where they may explore and enjoy dining in at over 35 F&B concepts around the ship including Asian, international and Halal-certified cuisine and enjoy additional live performances including singing, magic shows and ballroom dancing by our international performers.

With the well-being of its guests and crew its number one priority, Dream Cruises maintains the highest standards in safety with comprehensive precautionary measures in place. Since the restart of cruise operations in November 2020, World Dream has enjoyed over seven months of COVID-19 incident free sailings in Singapore and has received tremendous positive feedback on social media from guests on their experiences on board the ship.

“Dream Cruises would like to thank the people of Singapore who have continued to support World Dream even during this period of stricter health guidelines and safety precautions. Despite the heightened health measures of the previous month, World Dream has enjoyed robust sales in June and we are seeing limited availability of cruises in July,” said Mr. Michael Goh, President of Dream Cruises. “With the diligence of our crew to provide the safest environment for our guests on board, World Dream has extended its proven track record as worry-free vacation option for Singaporeans.”

Added Mr. Goh: “Not only are we excited to welcome a higher capacity of guests up to 50% aboard World Dream for a Super Summer Seacation, we are also excited to introduce our unique Japanese-themed cruise experience from 20 June – 18 September. This includes the world’s first lavender fields of Hokkaido and Torii gates of Kyoto at sea, complemented by a variety of fun-filled Japanese related activities and cuisine - ideal for vacationers and families, especially during the present school holidays.”

As part of the unique Japanese themed cruises on World Dream from 20 June to 18 September, guests can begin their wonderful journey aboard by strolling through the stunning and breathtaking torii tunnel surrounded by pink sakura trees, as well as a dreamy lavender field specially created and inspired by popular destinations like Hokkaido in Japan. Guests will also be able to enjoy all things Japanese, including Lavender sachet and crepe paper making work-shops, relaxing with a Lavender Spa treatment or personally experiencing traditional Geisha culture from make-up
