

Dream Cruises to Increase Genting Dream's Passenger Capacity to 75% Beginning from 1 December

Hong Kong, 24 November 2021 – Based on the latest guidelines by the Hong Kong authorities, Dream Cruises announced that Genting Dream will increase its passenger capacity from 50% to 75%, with effect from 1 December 2021, allowing over 2500 guests to enjoy a Super Seacation on every voyage.

“Dream Cruises is delighted to be able to increase passenger capacity on board Genting Dream to 75% and we would like to thank the Hong Kong authorities for providing us with this stamp of approval on the effectiveness of our health and hygiene protocols,” said Mr. Kent Zhu, President of Genting Cruise Lines. “Since we resumed cruises on 30 July, we have welcomed over 70,000 passengers on Genting Dream without any COVID-19 related incidents and we are grateful to the residents of Hong Kong for putting their trust in our hands.”

With overall demand for cruises at a consistently high level since operations resumed and with the Christmas and New Year's sailings already sold out based on the previous 50% capacity, this increase will provide a boost to the holiday season for guests who have been unable to book their Super Seacation during this peak period.

Just in time for the festive season, guests can set sail on “A Nordic Christmas Adventure” from now until 1 January to explore the age-old traditions of Sweden, Finland, Norway, Denmark and Iceland with friends and family this holiday. Explore the enchanted Nordic village and browse the Nordic market for Christmas goodies or take in the magical Santa Express running through a tasty Gingerbread Town. Partake in a sumptuous holiday feast in the wide range of restaurants on board Genting Dream then take in “VERRY Christmas” the seasonal stage production that will charm guests of all ages with its yuletide spirit.

As an added bonus, and to show appreciation for the loyal support of their guests, Dream Cruises is also offering a special Thanksgiving flash sale starting on 24 November to 7 December with fares starting from as low as \$888 per person. About Dream Cruises

Carrying on Genting Hong Kong’s proud heritage of nearly 30 years of Asian cruise industry experience, Dream Cruises aims to be a pacesetter in the global cruise landscape. Featuring a complete fleet of quality, German built vessels for Asian sourced passengers, Dream Cruises is meeting the needs of the ‘emerging generation’ of confident, independently minded and upwardly mobile Asian travellers by offering inspirational journeys, which are Asian at heart and international in spirit.

Purpose-built for the Asian market, Genting Dream, the first ship of the fleet, debuted in November 2016, with her sister ship World Dream joining in November 2017, offering guests cruising from Guangzhou, Hong Kong and Singapore the highest levels of service, as measured by crew to passenger ratio, and most spacious comfort as measured by gross tons per lower berth. Further expanding the Dream Cruises family, Explorer Dream joined in 2019 with homeports in Shanghai, Dalian and Tianjin during summer and Australia and New Zealand in winter. Construction has also started in Germany on the 208,000 gross ton Global Class ship that will join the fleet in 2022.

Dream Cruises has been recognized by the Berlitz Cruising and Cruise Guide 2020, ranking Genting Dream and World Dream once again in the world’s top ten Large Resort Ships – the only two highest ships to homeport year-round in Asia. Dream Cruises’ third ship, Explorer Dream, also made her debut in the Berlitz Cruising and Cruise Ships 2020 guide under the “Mid-Sized Ship” category in the Top 20 position.

Dream Cruises was also recently awarded ‘Best Luxury Cruise Line’ at the Annual 30th Travel Trade Gazette’s (TTG) Travel Awards 2019 and ‘Best Cruise Line – Cuisine’, ‘Best Cruise Line – Entertainment’ and ‘Best Cruise Line – Family’ by the Travel Weekly Asia Readers’ Choice Awards 2019.
